

## PLATS FOR NICHOLS NEW AREA AWAITED

City Planning Firm Makes  
Draft for Subdivision.

Plats of at least a portion of the 2,380-acre residential development by G. A. Nichols, Inc., to be opened north of the city, are expected here from the offices of Hare & Hare, city planners of Kansas City, within a few days, it was said Saturday at the Nichols offices.

Although weather was unfavorable last week, work on the two golf courses continued under the supervision of Perry D. Maxwell, golf architect. Maxwell promises that the

courses will be ready for play by late summer next year.

Continued preparation is being made by N. D. Woods, head of the Nichols landscape department, for planting 10,000 shade trees and eight carloads of evergreens and blue spruces.
