

## **NEW COUNTRY CLUB BEING BUILT BY ELKS OF SHAWNEE**

With the completion of a \$10,000 swimming pool and bathhouse on the Elks Country Club grounds out of Shawnee, first units of what is to be a \$100,000 proposition has been completed, according to the secretary of the club, Phil A. Watson. A golf course has already been laid out. The club owns 160 acres and an engineer was employed to lay out the golf course and a large lake which covers 18 acres that is now full of water, with some fish.
