

Designer of Lakeview Golf Course Here

Perry D. Maxwell, of Ardmore, Okla., a former Paducahan, and noted golf architect has just finished an inspection of the golf course at the Lake View Country club, which he designed. He stated that he is well pleased with the present condition of the course, which will be ready for play by the early part of summer.

Mr. Maxwell stopped over in Paducah while en route to Philadelphia where he has a contract to build a golf course on a very ambitious course.
