

AVIATORS DELIVER ARDMOREITE TO ROTARY TEAMS AT GAINESVILLE

Airplane delivery of today's issue of the Ardmoreite will be made at Gainesville for the members of the Rotary Club who are playing ball there with the Denton Rotarians. Local aviators, Dorsey Askew and Arthur Oakley, left with their plane for Gainesville with 100 copies directly after the first papers left the press.

The aviators will perform several stunts over the baseball grounds and then distribute the papers as they swoop down close to the earth.

Approximately 100 Rotarians left on the special car attached to the 12:15 Santa Fe train this afternoon. A large group motored down this morning. Immediately following the game swimming will be enjoyed and the evening will be taken with a dinner dance to be given by the Texans in honor of the Ardmore Rotarians.

The baseball game is due to determine the championship between the two teams. Two games have already been played with honors divided, one at Denton, and one last week at the local grounds.

A number of Rotarians were expected to leave here on the 5 o'clock Santa Fe train to participate in the evening festivities.

The baseball delegation was in charge of John Dexter, president.

More than eighty "rooters" from Denton are expected to attend, it is said.

Those who motored to Gainesville were Mr. and Mrs. Edward Galt, Judge and Mrs. Hefner, Frank Sherwood, Mr. and Mrs. P. B. Jeffries, Mr. and Mrs. L. S. Dolman, C. W. Richards, and Mr. and Mrs. Tom Cooper.

Among those on the special car were John Dexter, Mr. and Mrs. Don Cochran and son, Don Jr., who is mascot of the baseball team, T. E. Snelson, Paul Eckern, Fred Horn, Arthur Woods, Mr. and Mrs. Mark Kirkpatrick, Mr. and Mrs. Charley Von Weise, Miss Ruth Nolan, Earl Brown, James Earron, Perry Maxwell, Mr. John F.
