

## COUNTRY CLUB HAVE GOLF COURSE SOON

With but a small amount of work and the expenditure of not over \$200 the Norman Country club can have one of the best golf links in this part of the state, according to Perry Maxwell of Ardmore, the most expert golf course architect in the middle west and one of the best in the United States, who was here two days last week.

Working with Dean Monnet and L. A. Turley, two enthusiastic golf fans, the greens, tees, and holes all have been located.

Maxwell said that with small effort members could begin playing on the course.
