

Good Roads Talked at Meeting of C. of C. Here on Monday

Attended by two guests, G. A. Ramsey, chairman of the Good Roads committee, and Olin Wolverton, the members of the board of directors of the Chamber of Commerce held a most enthusiastic meeting Monday noon at the Chamber of Commerce rooms. Members present were R. A. Heiner, John Easley, Hugo Stromberg, Frank Gates, Perry Maxwell, Guy Harris and C. E. Ringer, Secretary of the organization.

Mr. Ramsey made a most interesting report of the Lawton trip, telling again of the splendid success of the Ardmore boosters and reassuring members of the Chamber of Commerce that there is no doubt as to the Lee Highway being routed through Ardmore and Carter county. Mr. Ramsey was instructed to continue his work in this connection.

Mr. Wolverton discussed the importance of publicity of Carter county oil fields in outside papers and magazines. A committee was appointed to take this matter in charge.

Many other projects of the Chamber of Commerce affecting the city and county were discussed.
