The Bayou DeSiard Country Club, completed a few months ago on the north shore of Bayou DeSiard north of Monroe, opens its first big day of activity today with the Tot and Tom Tournament, a club affair which officially introduces the golfing season for the new country club.

The Tot and Tom comes as the first of three major tournaments billed for the DeSiard club this season. The first annual Cramer Haas Handicap Tournament, honoring the former well known Monroe amateur golfer and World War II infantryman who was killed in action on the Philippine island of Leyte, is slated for April 17, and next will come the Labor Day Invitational, billed for three days, Sept. 3, 4 and 5.

Milo Mattinson, Bayou DeSiard's pro, reports several minor tournaments are also being planned, and that meets for women are to be arranged.

Drawings for the Tot and Tom tourney were made here Wednesday night by the sponsors, H. C. "Tot" Menuet,
