

## GOLF AND CLUB

### EXPERTS VISITS HERE.

---

P. D. Maxwell, Ardmore banker, golf expert and club man, was in Pauls Valley Monday and visited the proposed site of the Pauls Valley country club, which it is hoped soon to organize.

Maxwell was well carried away with the excellent lay of the land at the site, just two miles south of town, both as regards adaptability to a golf green and as to general suitable surroundings for a country club.

It is thought that actual organization of the club for Pauls Valley will be begun at once.
