

MAXWELL TO SUPERVISE WORK ON PROPOSED PLAYGROUND

E. H. Hoyer, president of the Kiwanis club, which is establishing a playground adjoining the T-O league ball park, has accepted the proffer of services from Perry D. Maxwell, president of the Dornick Hills country club, in landscaping the block to be used for the playground. While Mr. Maxwell does not pretend to be a professional landscape architect, yet those who have watched the growth of the club grounds at Dornick Hills can not fail to realize that he has great skill along this line.
