

ARDMORE GOLFERS TO COMPETE IN STATE AMATEUR TOURNAMENT

Ardmore will be strongly represented at the state amateur golf tournament which will be conducted at Oklahoma City June 12-16, and there is a great possibility that several of the trophies will be brought back to this city, judging by the calibre of the local entrants.

Among those who have signified their intention of attending and participating in the events are the following members of the Dornick Hills country club: Sherman Pyle, John Edwards, John Dexter, Arthur Strachley, ex-governor Lee Cruce, Perry Maxwell, Joe Echols, O. C. Lasher, Jack Cusack, Senator John Carlock, Wirt Franklin and Rees Evans.

Sherman Pyle and John Edwards are considered as the strongest contestants who will participate as representatives of Ardmore. Hon. Lee Cruce, Perry Maxwell, Joe Echols and Senator Carlock are also rated as wielders of a wicked stick.

The links at Oklahoma City where the tournament will be staged, have been thrown open for all who desire to practice on them during this week, without cost.

An entrance fee of \$3 will be charged to all who desire to compete in the tournament.
