
Perry Maxwell Visits Home Here

Perry Maxwell is spending several days at his home here following return from Atlanta, Ga., where he has been engaged for the past year and a half in remodeling two of the finest golf courses there, owned by Fulton county.

His son, Press Maxwell, who previously had been associated with him there, is continuing his primary training at Lakeland, Fla. He was transferred there recently from Montgomery, Ala.

Young Maxwell enlisted early this year in the army air corps. He has been air-minded for years, having flown since his school days at Dartmouth and Phillips academy.
