

## ***Perry Maxwell's New Golf Course Opens at Norman***

NORMAN, Jan. 11.—(Special) Oklahoma's new golf course, an 18-hole grass-greened layout just completed on the south campus and designed by Perry Maxwell, has been opened to the public.

Shower, locker and golf shop facilities soon will be available and a professional hired, says Athletic Director Bud Wilkinson.

Green fees, announced by Kenneth Farris, business manager of athletics, are 65 cents to students and faculty and \$1.00 to the public on week days, but upped to \$1.00 and \$1.50 on Sundays.

"A semester fee shortly will be made available to students and faculty. We will announce its price before the new semester begins," says Farris.
