## FINANCIAL PLAN OUTLINED

Standing Committee for Year  
Announced and Plans  
Are Discussed.

Will H. Smith, who has served as president of Dornick Hill country club for the last year, was unanimously re-elected to that office at the annual meeting of the members held Monday night at the club. Perry Maxwell, who has been secretary for the last year was also reelected. The following directors were announced: J. T. Coleman, Waco Turner, Tide Cox, A. C. Straehley, Jake Hamon, Frank S. Gates, C. W. Herd and Guy Harris.

Plans for a campaign to finance obligations of the club were discussed and a tentative program outlined.

Under this plan, bondholders of the club will be asked to put up their bonds as security, on a two to one basis for a series of notes of \$100 each to be sold to members of the club. Under this plan it is hoped to raise at least \$6000 which would give the club funds to pay off pressing immediate obligations and to have a surplus on hand for development of the organization activities. All moneys received in excess of operating expenses each month would go to the retirement of these notes which are to bear 6 per cent interest. The bondholders, aggregating around 30 in number, are largely members of the club and interested in its affairs to the extent that they are expected to cooperate in the program.
