

PERRY MAXWELL OFFERS PRIZE TO WINNER ON NEW GREEN

The new No. 1 green at the Dornick Hills Country Club has been completed and is ready for play.

Perry D. Maxwell has donated one dozen golf balls to be presented to the player who makes the green in 4. Should none be able to do so, the balls will be divided among the members making the three lowest scores.

The competition will take place on Independence Day, July 4. Other events scheduled for July 4 at the club include a team match between the married and single men, the losers to furnish the dinner. In the morning there will be an approaching and putting contest.

Washington—Reports that President Harding had declined to support the soldier bonus bill was denied in the senate by Senator McCumber, republican, North Dakota.
