

# ALL C. OF C'S TO UNITE IN STATE

Local Secretary Report Thirty  
Organizations Represented  
in the Oklahoma City  
Meeting.

All chambers of commerce in this congressional district will be whipped into line for the state chamber of commerce at the earliest possible moment. Perry Maxwell, newly elected director at large, stated this morning. Mr. Maxwell was named a director at the permanent organization meeting in Oklahoma City Tuesday, which was attended by Secretary John Easley.

Mr. Maxwell was assigned to this district at the first meeting of the body in Norman in the summer when about two dozen cities endorsed the state chamber by sending delegates. Following that Mr. Maxwell has been sounding out the sentiment in favor of the state body. It has met with approval, he said.

Thirty counties were represented at the meeting in Oklahoma City, Tuesday, Secretary Easley said in a telegram here.
