

NEOSHO GOLF CLUB

EMPLOYS P. D. MAXWELL.

At a meeting of the officers and board of governors of the Neosho Golf and Country Club, held last night at the Haas Wholesale Grocery, P. D. Maxwell of Ardmore, Okla., was employed to lay out and superintend construction of the golfcourse for the club and plan the landscaping.

Mr. Maxwell is regarded as the best man in this part of the country in this line and the Neosho club chose wisely when they secured him to take charge of the work. Mr. Maxwell will spend today looking over the ground and will make plans as soon as he learns the topography of the site chosen. Mr. Dahlgleish, of Kansas City, one of the foremost authorities on golf courses in the United States, says that the Neosho course has very few equals in this part of the country and that when constructed it will be one of the finest courses in this section.
