

# INTERESTING EVENTS ON THE GOLF LINKS AT DORNICK HILLS JULY 4

A most interesting program was carried out on the links of the Dornick Hills Country Club, July 4.

During the morning, a putting, approaching and driving contest was participated in. Three prizes and a booby prize were awarded for each event. Nine holes for the purpose of classifying contestants for the afternoon matches were also played during the morning.

The new No. 7 green, which was being played on for the first time, furnished much opportunity for a display of skill to many golfers. Several made it in five. M. D. Beale, professional, reached the hill-top on the second stroke, and took two puts to get down.

Perry Maxwell had offered prizes for the participants making the green in four, but none was able to qualify yesterday.

Results of Monday's events were as follows:

## Driving

Perry Maxwell, 1st, 18 inches off corner southeast corner of green.

John Carlock, 2nd, 5 feet off northeast corner of green.

O. W. Deveney, 3rd, 24 feet short of flag.

Charles Von Weise, booby prize.

## Approaching

(From three points on number 2 green).

John Dexter, Arthur Straehley, and Kelsey Polk tied for 1st.

J. F. Coleman, booby prize.

## Putting

(Three putt shots at various lengths)

John Carlock and Rees Evans tied for first place, six strokes each.

Eleven men tied for second place, Sherman Pyle winning when the tie was played off.

Frank Gates won booby prize.
