Dear Bruzzy:

Thank you for the interest, and for the complement.

You will be disappointed in quite a few of my designs, however, as they were dictated by time and the almighty dollar, and of course by the lack of genius that father had.

I am sure that noone ever had alist of father's courses, but I will list all that I know of:

Ok. City G&C.C., Twin Hills  
So. Hills, Oakhurst, Tulsa

Colonial, Ft. Worth

Hardscrabble, Ft. Smith, Ark.

Lakewood, Point Clear, Ala.

Clearwater C. C. Clearwater, Fla.

No. Fulton Park, Atlanta  
Remod: Masters

Renolda C.C. Winston-Salem, N. C.  
Public, Winston-Salem  
Public, Greensboro, N. C.

Melrose C. C. Phila. Pa.

Ohio State Univ.

Mich. Univ.

Iowa State Univ., Ames

Public, Springfield, Mo.

Prairie Dunes, Hutchinson, K.

Ft. Warren G. C., Cheyenne, Wy.

Much of father's work was redesigning: ones above are some of the better ones.

I have a lousy memory, and know that I have missed a bunch, in Okla. especially, there are a lot of small ones. Some old time golfer, could probably help you there.

Best regards, and to E. & J.,
