

of a cave from which a spring flows. A dam is to be constructed several yards north of the cave and a lake will be formed. The green at hole No. 9 is comprised of a half acre.

The Toro golf equipment has been secured by Mr. Woodruff in keeping the course in excellent condition. This outfit is composed of a tractor, gang mower, Toro greens mower, double disc cultipacker. A 10-ton roller has also been used on the course.

The total yardage of the course is 3,145 for the nine holes.
